All in one stripper for flat, 250μm and 900μm fiber cable
Hand-held type stripper
Extremely convenience for use in the FTTx field

### All in one stripper for flat, 250μm and 900μm.

**DC300A**

Hand-held type stripper
Easy one hand operating
Available for flat, 250μm and 900μm fiber cable
Anti-slip grip design
Long lasting lifespan: flat cable-60,000times / 250μm and 900μm fiber cable-90,000 times
Using aluminum material-very stable structure

## Description

DC300A is developed as all in one stripper with three side blades for flat cable ( 3 x 2 mm ), 250µm and 900µm fiber cable. It is a very stable tool with aluminium material and anti-slip grip design. With easy one hand operating as hand-held type stripper, it provides long lasting lifespan: 60,000 times of flat cable, and 90,000 times of 250µm and 900µm fiber cable.

DC300A

250µm

900µm

| Specifications | |
|---|---|
| Model | DC300A |
| Applicable Fiber Type | 3 x 2mm Flat cable (Drop cable), 900µm coating fiber, 250 µm coating fiber |
| Blade Lifetime | Approximately 60,000 times for flat cable / 90,000 times for 250µm and 900µm fiber cable |
| Locating Ruler | Precisely locate the cleaver length |

Flat cable stripping

After stripping flat cable, stripping 250µm

900µm cable stripping

After stripping 900µm, stripping 250µm
